MEMORANDUM FOR RECORD

Date: July 29, 2019

Subject: Telephone Inquiry from County HR (Jan Plank) - McVey

I received a telephone call from Jan Plank, County HR Director on July 29, 2019 reference an anonymous inquiry (see enclosure) regarding the relationship between Acting Chief Deputy Michael McVey and Investigations Division Lieutenant Sharon Gage.

Both Michael McVey and Sharon Gage are following MCAO Policy 10.2 - Conflicts of Interest Paragraph D and E. On January 11, 2019 both Michael McVey and Sharon Gage submitted memorandums to their respective supervisory chain and the Human Resources Department reporting a personal relationship outside of MCAO.

The Investigations Division would normally report to the Chief Deputy, however, the Investigations Division was moved under the County Attorney eliminating any possible conflict of interest. Acting Chief Deputy Michael McVey does not have supervisory responsibility over Sharon Gage or personnel within the Investigations Division.
