Joe Arpaio - Sheriff
Maricopa County Sheriff's Office
100 West Washington Street, Suite 1900
Phoenix AZ, 85003-1812

Sheriff Joe:

I again want to thank you for taking your valuable time last weekend to come to Anamosa Iowa on behalf of the Republican candidate for Jones County sheriff Rick LaMere, we appreciate it very much.

I hope you were able to see and feel the admiration and respect the people had for you at the different venues. The people in Iowa respect the law and support strongly those who enforce it properly and you lead the way in America when it comes to that.

My Grandson Isaiah has not stopped talking about you to his friends at school, so I can say without question you made his day and mine as well.

Please recall we talked about the Digital/Audio Interrogation room recording system I sell called *iRecord*. It is a revolutionary product we developed for law enforcement people by law enforcement people. As a result it is in use by hundreds of law enforcement agencies across the country. I was directed to and have been working with Lt. Fred Aldorasi in the general investigations division. His phone number is 602-876-1087 and email address is f_aldorasi@msco.maricopa.gov. If there are other people you want me to work with please let me know and I will do it.

So far Lt. Aldorasi has gone over to the Chandler police department to see our system in use. Our next step is to set up a demonstration of the system for him and others who would like to see it in action. After that we will put together pricing information. You can purchase our system under the U.S. Commodities contract through a company called Insight of North America based in Tempe Arizona. This will assure you of getting the very best price.

I have included literature on our system, a list of reason why it is superior to standard DVR recording systems (such as you are currently using), as well as a partial list of people you can contact who are using it.

I look forward to your advice as to what I should do next to move this forward.

Sincerely,

Doug Miller
Regional Manager
